Case No. 2:17-cv-02817-JHS

CLASS ACTION

NOTICE OF (I) PENDENCY OF CLASS ACTION, CERTIFICATION OF SETTLEMENT CLASS, AND PROPOSED SETTLEMENT OF CLASS ACTION; (II) SETTLEMENT HEARING; AND (III) MOTION FOR AN AWARD OF ATTORNEYS' FEES AND REIMBURSEMENT OF LITIGATION EXPENSES

A Federal Court authorized this Notice. This is not a solicitation from a lawyer.

NOTICE OF PENDENCY OF CLASS ACTION: Please be advised that your rights may be affected by the above-captioned securities class action (the "Action") pending in the United States District Court for the Eastern District of Pennsylvania (the "Court"), if, during the period from March 2, 2015, through July 25, 2017, inclusive (the "Settlement Class Period"), you purchased or otherwise acquired common stock issued by Universal Health Services, Inc. ("UHS," or the "Company"), and were allegedly damaged thereby.¹

NOTICE OF SETTLEMENT: Please also be advised that the Court-appointed Lead Plaintiffs, Teamsters Local 456 Pension Fund and Teamsters Local 456 Annuity Fund (together, "Lead Plaintiffs"), on behalf of themselves and the Settlement Class (as defined in paragraph 19 below), have reached a proposed settlement of the Action for \$17,500,000.00 in cash that, if approved, will resolve all claims in the Action (the "Settlement").

PLEASE READ THIS NOTICE CAREFULLY. This Notice explains important rights you may have, including the possible receipt of cash from the Settlement. If you are a member of the Settlement Class, your legal rights will be affected whether or not you act.

If you have any questions about this Notice, the proposed Settlement, or your eligibility to participate in the Settlement, please DO NOT contact UHS, any other Defendants in the Action, or their counsel. All questions should be directed to Lead Counsel or the Claims Administrator (see paragraph 82 below).

1. **Description of the Action and the Settlement Class:** This Notice relates to a proposed Settlement of claims in a pending securities class action brought by investors alleging, among other things, that defendants UHS, CEO Alan B. Miller ("Miller"), and CFO Steve G. Filton ("Filton," and, together with Miller, the "Individual Defendants," and together with UHS, "Defendants") violated the federal securities laws by making false and misleading statements or omissions related to certain business practices at the Company's behavioral health facilities. Defendants deny these claims. A more detailed description of the Action is set forth in paragraphs 11-18 below. The proposed Settlement, if approved by the Court, will settle claims of the Settlement Class, as defined in paragraph 19 below.

2. **Statement of the Settlement Class's Recovery:** Subject to Court approval, Lead Plaintiffs, on behalf of themselves and the Settlement Class, have agreed to settle the Action in exchange for a settlement payment of \$17,500,000.00 in cash (the "Settlement Amount") to be deposited into an escrow account. The Net Settlement Fund (i.e., the Settlement Amount plus any and all interest earned thereon (the "Settlement Fund") less (a) any Taxes, (b) any Notice and Administration Costs, (c) any Litigation Expenses awarded by the Court, (d) any attorneys' fees awarded by the Court; and (e) any other Court-approved deductions) will be distributed in accordance with a plan of allocation that is approved by the Court, which will determine how the Net Settlement Fund shall be

¹ All capitalized terms used in this Notice that are not otherwise defined herein shall have the meanings ascribed to them in the Stipulation and Agreement of Settlement (the "Stipulation"), which is available at www.uhssecuritieslitigation.com. The singular forms of nouns and pronouns include the plural and vice versa.

allocated among members of the Settlement Class. The proposed plan of allocation (the “Plan of Allocation”) is set forth in paragraphs 47-66 below.

3. **Estimate of Average Amount of Recovery Per Share:** Based on Lead Plaintiffs’ damages expert’s estimates of the number of UHS common stock shares purchased during the Settlement Class Period that may have been affected by the alleged conduct at issue in the Action and assuming that all Settlement Class Members elect to participate in the Settlement, the estimated average recovery (before the deduction of any Court-approved fees, expenses and costs as described herein) per allegedly damaged share is \$0.44. Settlement Class Members should note, however, that the foregoing average recovery per share is only an estimate. Some Settlement Class Members may recover more or less than this estimated amount depending on, among other factors, when and at what prices they purchased/acquired or sold their UHS common stock shares, and the total number and recognized loss amount of valid Claim Forms submitted. Distributions to Settlement Class Members will be made based on the Plan of Allocation set forth herein (*see* paragraphs 47-66 below) or such other plan of allocation as may be ordered by the Court.

4. **Average Amount of Alleged Damages Per Security:** The Parties do not agree on the average amount of alleged damages per security that would be recoverable if Lead Plaintiffs were to prevail in the Action. Among other things, Defendants deny the assertions that they violated the federal securities laws and that any damages were suffered by any members of the Settlement Class as a result of their conduct.

5. **Attorneys’ Fees and Expenses Sought:** Plaintiffs’ Counsel, which have been prosecuting the Action on a wholly contingent basis since its inception, have not received any payment of attorneys’ fees for their representation of the Settlement Class and have advanced the funds to pay expenses necessarily incurred to prosecute this Action. Court-appointed Lead Counsel Saxena White P.A. will apply to the Court for an award of attorneys’ fees in an amount not to exceed one-third of the Settlement Fund. In addition, Lead Counsel will apply for reimbursement of Litigation Expenses paid or incurred in connection with the institution, prosecution and resolution of the claims against the Defendants, in an amount not to exceed \$250,000, which may include an application for reimbursement of the reasonable costs and expenses incurred by Lead Plaintiffs directly related to their representation of the Settlement Class. Any fees and expenses awarded by the Court will be paid from the Settlement Fund. Settlement Class Members are not personally liable for any such fees or expenses. Estimates of the average cost per allegedly damaged UHS share, if the Court approves Lead Counsel’s fee and expense application, is \$0.15 per damaged share.

6. **Identification of Attorneys’ Representatives:** Lead Plaintiffs and the Settlement Class are represented by Lester R. Hooker of Saxena White P.A., 7777 Glades Road, Suite 300, Boca Raton, FL 33434, (561) 206-6708, lhooker@saxenawhite.com.

7. **Reasons for the Settlement:** Lead Plaintiffs’ principal reason for entering into the Settlement is the substantial immediate cash benefit for the Settlement Class without the risk or the delays inherent in further litigation. Moreover, the substantial cash benefit provided under the Settlement must be considered against the significant risk that a smaller recovery – or indeed no recovery at all – might be achieved after resolution of Lead Plaintiffs’ appeal of the Court’s order dismissing the Action, further contested motions, a trial of the Action and the likely appeals that would follow a trial. This process could be expected to last several years. Defendants, who deny all allegations of wrongdoing or liability whatsoever, are entering into the Settlement solely to eliminate the uncertainty, burden and expense of further protracted litigation. Defendants have asserted and continue to assert that their conduct was at all times proper and in compliance with all applicable provisions of law, and believe that the Action is without merit. Before agreeing to the Settlement, Lead Counsel conducted extensive investigation and research into the merits of the Action. This investigation included consultation with experts concerning the amount of damages allegedly suffered by the Class; detailed review of UHS’s public filings, including SEC filings, press releases, and other public statements; locating and interviewing fact witnesses; and researching the applicable law with respect to the claims asserted in the complaint filed in this Action and the potential defenses thereto.

YOUR LEGAL RIGHTS AND OPTIONS IN THE SETTLEMENT:	
SUBMIT A CLAIM FORM POSTMARKED OR SUBMITTED TO THE SETTLEMENT WEBSITE BY NO LATER THAN JULY 8, 2021.	This is the only way to be potentially eligible to receive a payment from the Settlement Fund. If you are a Settlement Class Member and you remain in the Settlement Class, you will be bound by the Settlement as approved by the Court and you will give up any Released Plaintiffs' Claims (defined in paragraph 28 below) that you have against Defendants and the other Defendant Releasees (defined in paragraph 29 below), so it is in your interest to submit a Claim Form.
EXCLUDE YOURSELF FROM THE SETTLEMENT CLASS BY SUBMITTING A WRITTEN REQUEST FOR EXCLUSION SO THAT IT IS RECEIVED NO LATER THAN JUNE 24, 2021.	If you exclude yourself from the Settlement Class, you will not be eligible to receive any payment from the Settlement Fund. This is the only option that might allow you to be part of any other lawsuit against any of the Defendants or the other Defendant Releasees concerning the Released Plaintiffs' Claims, if you have a valid and timely claim.
OBJECT TO THE SETTLEMENT BY SUBMITTING A WRITTEN OBJECTION SO THAT IT IS RECEIVED NO LATER THAN JUNE 24, 2021.	If you do not like the proposed Settlement, the proposed Plan of Allocation, or the request for attorneys' fees and reimbursement of Litigation Expenses, you may write to the Court and explain why you do not like them. You cannot object to the Settlement, the Plan of Allocation or the fee and expense request unless you are a Settlement Class Member and do not exclude yourself from the Settlement Class.
ATTEND A HEARING ON JULY 15, 2021 AT 10:00 A.M., AND FILE A NOTICE OF INTENTION TO APPEAR SO THAT IT IS RECEIVED NO LATER THAN JUNE 24, 2021.	Filing a written objection and notice of intention to appear by June 24, 2021, allows you to speak in Court, at the discretion of the Court, about the fairness of the proposed Settlement, the Plan of Allocation, and/or the request for attorneys' fees and reimbursement of Litigation Expenses. If you submit a written objection, you may (but you do not have to) attend the hearing and, at the discretion of the Court, speak to the Court about your objection.
DO NOTHING.	If you are a member of the Settlement Class and you do not submit a valid Claim Form, you will not be eligible to receive any payment from the Settlement Fund. You will, however, remain a member of the Settlement Class, which means that you give up your right to sue about the claims that are resolved by the Settlement and you will be bound by any judgments or orders entered by the Court in the Action.

WHY DID I GET THIS NOTICE?

8. The Court directed that this Notice be mailed to you because you or someone in your family or an investment account for which you serve as a custodian may have purchased or otherwise acquired UHS common stock during the Settlement Class Period. The Court has directed us to send you this Notice because, as a potential Settlement Class Member, you have a right to know about your options before the Court rules on the proposed Settlement. Additionally, you have the right to understand how this class action lawsuit may generally affect your legal rights. If the Court approves the Settlement, and the Plan of Allocation (or some other plan of allocation), the Claims Administrator selected by Lead Plaintiffs and approved by the Court will make payments pursuant to the Settlement after any objections and appeals are resolved.

9. The purpose of this Notice is to inform you of the existence of this case, that it is a class action, how you might be affected, and how to exclude yourself from the Settlement Class if you wish to do so. It is also being sent to inform you of the terms of the proposed Settlement, and of a hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement, the proposed Plan of Allocation and the motion by Lead Counsel for an award of attorneys' fees and reimbursement of Litigation Expenses (the "Settlement Hearing"). See paragraph 73 below for details about the Settlement Hearing, including the date and location of the hearing.

10. The issuance of this Notice is not an expression of any opinion by the Court concerning the merits of any claim in the Action, and the Court still has to decide whether to approve the Settlement. If the Court approves the Settlement and a plan of allocation, then payments to Authorized Claimants will be made after any appeals are resolved and after the completion of all claims processing. Please be patient, as this process can take some time to complete.

WHAT IS THIS CASE ABOUT?

11. On December 23, 2016, this Action was commenced in the United States District Court for the Central District of California, styled *David Heed v. Universal Health Services Inc., et al.*, Case No. 2:16-cv-09499 (C.D. Cal.).

12. By Order dated April 17, 2017, the court overseeing the Action appointed Local 456 Pension Fund and Local 456 Annuity Fund as Lead Plaintiffs and approved Lead Plaintiffs' selection of Saxena White P.A. ("Saxena White") as Lead Counsel for the class. The Action was transferred to the United States District Court for the Eastern District of Pennsylvania on June 20, 2017.

13. On September 29, 2017, Lead Plaintiffs filed their Amended Class Action Complaint (the "Complaint"), on behalf of the Settlement Class, asserting claims against Defendants under Section 10(b) of the Securities Exchange Act of 1934 (the "Exchange Act") and Rule 10b-5 promulgated thereunder, and against the Individual Defendants under Section 20(a) of the Exchange Act. The Complaint alleges, among other things, that during the Settlement Class Period (as defined below), Defendants made false and misleading statements or omissions related to UHS's behavioral health facilities. The Complaint further alleges that the price of UHS's common stock was artificially inflated as a result of Defendants' false and misleading statements, and that the price of UHS common stock declined when the truth regarding Defendants' alleged misrepresentations was revealed. On December 6, 2017, Defendants moved to dismiss the Complaint for failure to state a claim, challenging every meaningful aspect of Plaintiffs' claims. After full briefing, a hearing, and supplemental briefing, on August 19, 2019, the Court granted Defendants' motion to dismiss. On August 26, 2019, Lead Plaintiffs filed a motion seeking a schedule for amending the Complaint. On September 16, 2019, Lead Plaintiffs filed under Federal Rule of Civil Procedure 59(e) a motion to alter or amend the Court's dismissal order and requesting leave to amend the Complaint. Plaintiffs submitted a proposed Second Amended Complaint along with their motion. On March 16, 2020, the Court denied Plaintiffs' motion for a scheduling order. On April 29, 2020, the Court denied Lead Plaintiffs' Rule 59(e) motion, concluding that permitting Lead Plaintiffs to amend the Complaint would be futile because the asserted claims fail as a matter of law.

14. On May 29, 2020, Lead Plaintiffs filed a notice of appeal regarding the Court's orders granting Defendants' motion to dismiss and denying Lead Plaintiffs' Rule 59(e) motion. On August 3, 2020, Lead Plaintiffs filed their initial brief in the Third Circuit Court of Appeals as well as a motion for judicial notice. See *Teamsters Local 456 Pension Fund et al., v. Universal Health Services Inc., et al.*, Case No. 20-2094 (3d Cir.).

15. While the appeal was pending, and before Defendants filed a responsive brief, Lead Plaintiffs and Defendants agreed to participate in a private mediation. The mediation was held on October 21, 2020 before nationally recognized mediators the Honorable Daniel Weinstein (Ret.) and Jed D. Melnick, Esq. of JAMS. The session ended without an agreement to settle. Following that mediation, however, the Parties continued to engage in settlement discussions with the involvement of the mediators. On December 10, 2020, the Parties reached an agreement in principle to settle the Action for a cash payment of \$17,500,000.00 for the benefit of the Settlement Class, subject to certain terms and conditions and the execution of a customary "long form" stipulation and agreement of settlement and related papers.

16. Based on their investigation, discovery, prosecution and mediation of the case, Lead Plaintiffs and Lead Counsel have concluded that the terms and conditions of the Stipulation are fair, reasonable and adequate to Lead Plaintiffs and the other members of the Settlement Class, and in their best interests. Based on Lead Plaintiffs' oversight of the prosecution of this matter and with the advice of their counsel, each of the Lead Plaintiffs has agreed to settle and release the claims raised in the Action pursuant to the terms and provisions of the Stipulation, after considering, among other things, (a) the substantial financial benefit that Lead Plaintiffs and the other members of the Settlement Class will receive under the proposed Settlement; (b) the significant risks and costs of continued litigation and trial; and (c) the desirability of permitting the proposed Settlement to be consummated as provided by the terms of the Stipulation.

17. The Stipulation and the Settlement constitute a compromise of matters that are in dispute among the Parties. Defendants have entered into the Stipulation solely to eliminate the uncertainty, burden and expense of further protracted litigation. Each of the Defendants denies any wrongdoing, and the Settlement and Stipulation shall in no event be construed or deemed to be evidence of or an admission or concession on the part of any of the Defendants with respect to any claim or allegation of any fault, liability, wrongdoing, or damage whatsoever, or any infirmity in the defenses that the Defendants have, or could have, asserted. Defendants expressly deny that Lead Plaintiffs have asserted any valid claims as to any of them, and expressly deny any and all allegations of fault, liability, wrongdoing, or damages whatsoever. The Stipulation and the Settlement also shall in no event be construed or deemed to be evidence of or an admission or concession on the part of any Lead Plaintiff of an infirmity in any of the claims asserted in the Action, or an admission or concession that any of the Defendants' defenses to liability had any merit.

18. On March 2, 2021, the Court preliminarily approved the Settlement, authorized this Notice to be disseminated to potential Settlement Class Members, and scheduled the Settlement Hearing to consider, among other things, whether to grant final approval to the Settlement.

**HOW DO I KNOW IF I AM AFFECTED BY THE SETTLEMENT?
WHO IS INCLUDED IN THE SETTLEMENT CLASS?**

19. If you are a member of the Settlement Class, you are subject to the Settlement, unless you timely request to be excluded. The Settlement Class consists of:

All persons and entities who or which purchased or otherwise acquired UHS common stock during the period from March 2, 2015 through July 25, 2017, inclusive, and who were damaged thereby.

Excluded from the Settlement Class are (1) Defendants; (2) members of the Immediate Family of each Individual Defendant; (3) any person who was an Officer or director of UHS during the Settlement Class Period; (4) any firm or entity in which any Defendant has or had a controlling interest during the Settlement Class Period; (5) any person who participated in the wrongdoing alleged; (6) any affiliates, parents, or subsidiaries of UHS during the Settlement Class Period; and (7) the legal representatives, agents, affiliates, heirs, beneficiaries, successors-in-interest, or assigns of any excluded person or entity, in their respective capacity as such. Also excluded from the Settlement Class are any persons and entities who or which exclude themselves by submitting a request for exclusion that is accepted by the Court. See "What If I Do Not Want To Be A Member Of The Settlement Class? How Do I Exclude Myself?" on page 13 below.

PLEASE NOTE: RECEIPT OF THIS NOTICE DOES NOT MEAN THAT YOU ARE A SETTLEMENT CLASS MEMBER OR THAT YOU WILL BE ENTITLED TO RECEIVE PROCEEDS FROM THE SETTLEMENT. IF YOU ARE A SETTLEMENT CLASS MEMBER AND YOU WISH TO BE POTENTIALLY ELIGIBLE TO PARTICIPATE IN THE DISTRIBUTION OF PROCEEDS FROM THE SETTLEMENT, YOU ARE REQUIRED TO SUBMIT THE CLAIM FORM THAT IS BEING DISTRIBUTED WITH THIS NOTICE AND THE REQUIRED SUPPORTING DOCUMENTATION AS SET FORTH THEREIN POSTMARKED OR SUBMITTED TO THE SETTLEMENT WEBSITE NO LATER THAN JULY 8, 2021.

WHAT ARE LEAD PLAINTIFFS' REASONS FOR THE SETTLEMENT?

20. Lead Plaintiffs and Lead Counsel believe that the claims asserted against Defendants have merit. They recognize, however, the expense and length of continued proceedings necessary to pursue their claims against Defendants through the appeal, further motion practice, trial, and subsequent appeals, as well as the very substantial risks they would face in establishing liability and damages. Lead Plaintiffs and Lead Counsel recognized that Defendants had numerous avenues of attack that could preclude a recovery. For example, Defendants would assert that their statements were not materially false and misleading, and that even if they were, they did not cause any damage to the Settlement Class and were not made with the requisite scienter. Even if the hurdles to establishing liability were overcome, the amount of damages that could be attributed to the allegedly false statements would be hotly contested. Lead Plaintiffs would have to prevail at several stages – the appeal of the Court's dismissal of the Action, class certification, motions for summary judgment, trial, and if they prevailed on those, on the appeals that were likely to follow. Thus, there were very significant risks attendant to the continued prosecution of the Action.

21. In light of these risks, the amount of the Settlement and the immediacy of recovery to the Settlement Class, Lead Plaintiffs and Lead Counsel believe that the proposed Settlement is fair, reasonable and adequate, and in the best interests of the Settlement Class. Lead Plaintiffs and Lead Counsel believe that the Settlement provides a substantial benefit to the Settlement Class, namely \$17,500,000.00 in cash (less the various deductions described in this Notice), as compared to the risk that the claims in the Action would produce a smaller or no recovery after summary judgment, trial and appeals, possibly years in the future.

22. Defendants have denied the claims asserted against them in the Action and deny having engaged in any wrongdoing or violation of law of any kind whatsoever. Defendants have agreed to the Settlement solely to eliminate the burden and expense of continued litigation. Accordingly, as noted above, the Settlement may not be construed as an admission of any wrongdoing by Defendants.

WHAT MIGHT HAPPEN IF THERE WERE NO SETTLEMENT?

23. If there were no Settlement and Lead Plaintiffs failed to establish any essential legal or factual element of their claims against Defendants, neither Lead Plaintiffs nor the other members of the Settlement Class would recover anything from Defendants. Also, if Defendants were successful in defeating Lead Plaintiffs' appeal or proving any of their defenses, either at summary judgment, at trial or on appeal, the Settlement Class could recover substantially less than the amount provided in the Settlement, or nothing at all.

HOW ARE SETTLEMENT CLASS MEMBERS AFFECTED BY THE ACTION AND THE SETTLEMENT?

24. As a Settlement Class Member, you are represented by Lead Plaintiffs and Lead Counsel, unless you enter an appearance through counsel of your own choice at your own expense. You are not required to retain your own counsel, but if you choose to do so, such counsel must file a notice of appearance on your behalf and must serve copies of his or her appearance on the attorneys listed in the section entitled, "When And Where Will The Court Decide Whether To Approve The Settlement?" below.

25. If you are a Settlement Class Member and do not wish to remain a Settlement Class Member, you may exclude yourself from the Settlement Class by following the instructions in the section entitled, "What If I Do Not Want To Be A Member Of The Settlement Class? How Do I Exclude Myself?" below.

26. If you are a Settlement Class Member and you wish to object to the Settlement, the Plan of Allocation, or Lead Counsel's application for attorneys' fees and reimbursement of Litigation Expenses, and if you do not exclude yourself from the Settlement Class, you may present your objections by following the instructions in the section entitled, "When And Where Will The Court Decide Whether To Approve The Settlement?" below.

27. If you are a Settlement Class Member and you do not exclude yourself from the Settlement Class, you will be bound by any orders issued by the Court. If the Settlement is approved, the Court will enter a judgment (the "Judgment"). The Judgment will dismiss with prejudice the claims against Defendants and will provide that, upon the Effective Date of the Settlement, Lead Plaintiffs and each of the other Settlement Class Members, on behalf of themselves, and their respective spouses, heirs, executors, beneficiaries, administrators, predecessors, successors, and assigns, in their capacities as such, and any Person(s) claiming (now or in the future) through or on behalf of any of them directly or indirectly, regardless of whether such Lead Plaintiff or Settlement Class Member ever seeks or obtains by any means (including, without limitation, by submitting a Claim Form) any distribution from the Net Settlement Fund: (i) shall be deemed by the Settlement to have, and by operation of law and of the Judgment, shall have fully, finally, and forever compromised, settled, released, relinquished, waived, dismissed, extinguished, and discharged each and all of the Released Plaintiffs' Claims (including Unknown Claims) (as defined in paragraph 28 below) against each and all of the Defendant Releasees (as defined in paragraph 29 below), and shall have covenanted not to sue any of the Defendant Releasees with respect to any of the Released Plaintiffs' Claims (including any Unknown Claims) except to enforce the releases and other terms and conditions contained in the Stipulation or the Judgment; and (ii) shall be forever permanently barred, enjoined, and restrained from bringing, commencing, instituting, asserting, maintaining, enforcing, prosecuting, or otherwise pursuing, either directly or in any other capacity, any of the Released Plaintiffs' Claims (including any Unknown Claims) against any of the Defendant Releasees in the Action or in any other action or proceeding, in any state, federal, or foreign court of law or equity, arbitration tribunal, administrative forum, or other forum of any kind.

28. "Released Plaintiffs' Claims" means, all claims, rights, duties, controversies, obligations, debts, demands, actions, sums of money, suits, contracts, agreements, promises, damages, losses, judgments, liabilities, allegations, arguments, and causes of action of every nature and description, whether known claims or Unknown Claims, whether arising under federal, state, local, statutory, common, or foreign law, or any other rule or regulation, whether at law or equity, whether class or individual in nature, whether fixed or contingent, whether accrued or unaccrued, whether matured or unmatured, whether liquidated or unliquidated, that Plaintiffs or any other member of the Settlement Class: (i) asserted in the Action; or (ii) could have asserted in any forum, that arise out of, are based upon, or relate to, directly or indirectly, in whole or in part, (A) the allegations, transactions, facts, matters or occurrences, events,

matters, disclosures, non-disclosures, representations, statements, omissions, events, acts or alleged failures to act that were involved, set forth, or referred to in the Action or that otherwise would have been barred by res judicata had the Action been fully litigated to a final judgment and that arise out of or relate to the purchase, sale, acquisition, or retention of UHS common stock during the Class Period; or (B) Defendants' and/or their attorneys' defense or settlement of the Action and/or the claims alleged therein. Released Plaintiffs' Claims do not include: (i) any claims relating to the enforcement of the Settlement; (ii) any claims asserted in the shareholder derivative action filed in the United States District Court for the Eastern District of Pennsylvania entitled *In re Universal Health Services, Inc., Derivative Litigation*, Case No. 2:17-cv-2187-JHS (E.D. Pa.), including any cases consolidated with or into that shareholder derivative action; (iii) any claims brought by the U.S. Department of Justice or any other governmental agency; or (iv) any claims of any person or entity who or which submitted a request for exclusion from the Settlement Class that was accepted by the Court.

29. "Defendant Releasees" means Defendants and their respective current, former, and future parents, affiliates, subsidiaries, and divisions and their respective current, former, and future employees, members, principals, Officers, directors, controlling shareholders, partnerships, partners, trustees, trusts, attorneys, advisors, accountants, auditors, agents, insurers (including the Defendants' director and officer liability insurance carriers) and reinsurers of each of them; the successors, predecessors, estates, Immediate Family, heirs, executors, assigns, assignees, administrators, agents, and legal or personal representatives of each of them; and any person or entity which is or was related to or affiliated with any Defendant or in which any Defendant has or had a controlling interest.

30. "Unknown Claims" means any Released Plaintiffs' Claims that any Plaintiff or any other Settlement Class Member or Plaintiff Releasee does not know or suspect to exist in his, her, or its favor at the time of the release of such claims and any Released Defendants' Claims that any Defendant or any other Defendant Releasee does not know or suspect to exist in his, her, or its favor at the time of the release of such claims. This includes any such claims, which, if known by such party, might have affected his, her, or its decision(s) with respect to this Settlement, including but not limited to whether or not to object to this Settlement or to seek exclusion from the Class. With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date of the Settlement, Plaintiffs and Defendants shall expressly waive, and each of the other Settlement Class Members and Releasees shall be deemed to have waived, and by operation of the Judgment or the Alternate Judgment, if applicable, shall have expressly waived, any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or foreign law, which is similar, comparable, or equivalent to California Civil Code §1542, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

Lead Plaintiffs and Defendants acknowledge, and each of the other Settlement Class Members and each of the other Plaintiff Releasees and Defendant Releasees shall be deemed by operation of law to have acknowledged, that the foregoing waiver was separately bargained for and a key element of the Settlement.

31. The Judgment will also provide that, upon the Effective Date of the Settlement, Defendants, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns, in their capacities as such, shall be deemed to have, and by operation of the Stipulation, of law, and of the Judgment shall have, fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged each and every Released Defendants' Claim (as defined in paragraph 32 below) against any of the Plaintiff Releasees (as defined in paragraph 33 below), and shall forever be barred and enjoined from prosecuting any or all of the Released Defendants' Claims against any of the Plaintiff Releasees.

32. "Released Defendants' Claims" means all claims, rights, liabilities, and causes of action of every nature and description, whether known claims or Unknown Claims, whether arising under federal, state, statutory, common, or foreign law, or any other rule or regulation, that arise out of or relate in any way to the institution, prosecution, or settlement of the claims asserted in the Action against Defendants. Released Defendants' Claims do not include: (i) any claims relating to the enforcement of the Settlement; (ii) any claims against any person or entity who or which submits a request for exclusion from the Settlement Class that is accepted by the Court; or (iii) any claims by UHS or any of its current, former, or future directors, officers, or employees under their insurance policies.

33. "Plaintiff Releasees" means Plaintiffs, their respective attorneys, and all other Settlement Class Members, and their respective current and former Officers, directors, insurers, agents, parents, affiliates, subsidiaries, successors, predecessors, assigns, assignees, employees, and attorneys, in their capacities as such.

34. The Judgment will also provide that, upon the Effective Date, to the extent allowed by law, the Stipulation shall operate conclusively as an estoppel and full defense in the event, and to the extent, of any claim, demand, action, or proceeding brought by a Settlement Class Member against any of the Defendant Releasees with respect to any Released Plaintiffs' Claim, or brought by a Defendant against any of the Plaintiff Releasees with respect to any Released Defendants' Claim.

35. The Judgment shall, among other things, provide for the dismissal with prejudice of the Action against the Defendants, without costs to any Party, except for the payments expressly provided for in the Stipulation.

HOW DO I PARTICIPATE IN THE SETTLEMENT? WHAT DO I NEED TO DO?

36. To be potentially eligible for a payment from the proceeds of the Settlement, you must be a member of the Settlement Class and you must timely complete and return the Claim Form with adequate supporting documentation postmarked or submitted to the Settlement Website no later than July 8, 2021. A Claim Form is included with this Notice, or you may obtain one from the website maintained by the Claims Administrator for the Settlement, www.uhssecuritieslitigation.com, or you may request that a Claim Form be mailed to you by calling the Claims Administrator toll free at 800-547-4406. Please retain all records of your ownership of and transactions in UHS common stock, as they may be needed to document your Claim. If you request exclusion from the Settlement Class or do not submit a timely and valid Claim Form, you will not be eligible to share in the Net Settlement Fund.

HOW MUCH WILL MY PAYMENT BE?

37. At this time, it is not possible to make any determination as to how much any individual Settlement Class Member may receive from the Settlement.

38. Pursuant to the Settlement, Defendants have agreed pay seventeen million five hundred thousand dollars (\$17,500,000.00) in cash. The Settlement Amount will be deposited into an escrow account. The Settlement Amount plus any interest earned thereon is referred to as the "Settlement Fund." If the Settlement is approved by the Court and the Effective Date occurs, the "Net Settlement Fund" (that is, the Settlement Fund less (a) all federal, state and/or local taxes (including any interest or penalties thereon) on any income earned by the Settlement Fund, the reasonable costs incurred in connection with determining the amount of and paying taxes owed by the Settlement Fund (including reasonable expenses of tax attorneys and accountants), and all taxes imposed on payments by the Settlement Fund, including withholding taxes; (b) the costs and expenses incurred in connection with providing notice to Settlement Class Members and administering the Settlement on behalf of Settlement Class Members; (c) any attorneys' fees and Litigation Expenses awarded by the Court; and (d) any other Court-approved deductions) will be distributed to Settlement Class Members who submit valid Claim Forms, in accordance with the proposed Plan of Allocation or such other plan of allocation as the Court may approve.

39. The Net Settlement Fund will not be distributed unless and until the Court has approved the Settlement and a plan of allocation, and the time for any petition for rehearing, appeal or review, whether by certiorari or otherwise, has expired.

40. Neither Defendants nor any other person or entity that paid any portion of the Settlement Amount on their behalf are entitled to get back any portion of the Settlement Fund once the Court's order or judgment approving the Settlement becomes Final. Defendants shall not have any liability, obligation or responsibility for the administration of the Settlement, the disbursement of the Net Settlement Fund or the plan of allocation.

41. Approval of the Settlement is independent from approval of a plan of allocation. Any determination with respect to a plan of allocation will not affect the Settlement, if approved.

42. Unless the Court otherwise orders, any Settlement Class Member who fails to submit a Claim Form postmarked or submitted to the Settlement Website on or before July 8, 2021, shall be fully and forever barred from receiving payments pursuant to the Settlement but will in all other respects remain a Settlement Class Member and be subject to the provisions of the Stipulation, including the terms of any Judgment entered and the releases given. This means that each Settlement Class Member releases the Released Plaintiffs' Claims (as defined in paragraph 28 above) against the Defendant Releasees (as defined in paragraph 29 above) and will be enjoined and prohibited from filing, prosecuting, or pursuing any of the Released Plaintiffs' Claims against any of the Defendant Releasees whether or not such Settlement Class Member submits a Claim Form.

43. Participants in and beneficiaries of a plan covered by ERISA ("ERISA Plan") should NOT include any information relating to their transactions in UHS common stock held through the ERISA Plan in any Claim Form that they may submit in this Action. They should include ONLY those UHS common stock shares that they purchased or acquired outside of the ERISA Plan.

44. The Court has reserved jurisdiction to allow, disallow, or adjust on equitable grounds the Claim of any Settlement Class Member.

45. Each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to his, her or its Claim Form.

46. Only Settlement Class Members, i.e., persons and entities who purchased or otherwise acquired UHS common stock during the Settlement Class Period and were allegedly damaged as a result of such purchases or acquisitions, will be potentially eligible to

share in the distribution of the Net Settlement Fund. Persons and entities that are excluded from the Settlement Class by definition or that exclude themselves from the Settlement Class pursuant to request will not be eligible to receive a distribution from the Net Settlement Fund and should not submit Claim Forms.

PROPOSED PLAN OF ALLOCATION

47. The objective of the Plan of Allocation is to equitably distribute the Net Settlement Fund among Authorized Claimants based on their respective alleged economic losses as a result of the alleged misstatements and omissions, as opposed to losses caused by market- or industry-wide factors, or company-specific factors unrelated to the alleged fraud. The Claims Administrator shall determine each Authorized Claimant’s share of the Net Settlement Fund based upon the recognized loss formula (“Recognized Loss”) described below.

48. A Recognized Loss will be calculated for each share of UHS stock purchased or otherwise acquired during the Settlement Class Period. The calculation of Recognized Loss will depend upon several factors, including when the UHS common stock was purchased or otherwise acquired during the Settlement Class Period, and in what amounts, and whether such common stock was sold, and if sold, when it was sold, and for what amounts. The Recognized Loss is not intended to estimate the amount a Settlement Class Member might have been able to recover after a trial, nor to estimate the amount that will be paid to Authorized Claimants pursuant to the Settlement. The Recognized Loss is the basis upon which the Net Settlement Fund will be proportionately allocated to the Authorized Claimants. The Claims Administrator will use its best efforts to administer and distribute the Net Settlement Fund to the extent that it is equitably and economically feasible.

49. The Plan of Allocation was created with the assistance of a consulting damages expert and reflects the assumption (which Defendants dispute) that the price of UHS common stock was artificially inflated throughout the Settlement Class Period. The estimated alleged artificial inflation in the price of UHS common stock during the Settlement Class Period is reflected in Table 1 below. The computation of the estimated alleged artificial inflation in the price of UHS stock during the Settlement Class Period is based on certain misrepresentations alleged by Lead Plaintiffs and the price change in the common stock, net of market- and industry-wide factors, in reaction to the public announcements that allegedly corrected the misrepresentations alleged by Lead Plaintiffs. Lead Plaintiffs allege that corrective disclosures removed artificial inflation from the price of UHS stock on the following dates: July 27, 2016; December 7, 2016; December 14, 2016; April 26, 2017; May 24, 2017; and July 26, 2017 (the “Corrective Disclosure Dates”).² The estimated alleged artificial inflation in the price of UHS common stock also reflects Lead Counsel’s assessment of the strengths and weaknesses associated with each Corrective Disclosure Date, including difficulties of proof and potential loss causation defenses, that justify an adjustment under this Plan of Allocation of the per share Recognized Losses resulting from the disclosures on those dates.

50. The U.S. federal securities laws allow investors to seek to recover losses caused by disclosures which corrected the defendants’ previous misleading statements or omissions. Thus, in order to have recoverable damages, the corrective disclosure of the allegedly misrepresented information must be the cause of the decline in the price or value of UHS common stock. Accordingly, if UHS common stock was sold before July 27, 2016 (the earliest alleged Corrective Disclosure Date), the Recognized Loss for such stock is \$0.00, and any loss suffered is not compensable under the federal securities laws. Likewise, for UHS common stock both purchased and sold between two consecutive Corrective Disclosure Dates, the Recognized Loss is \$0.00, and any loss suffered is not compensable under the federal securities laws.

Alleged Artificial Inflation in UHS Common Stock

51. The “90-day look back” provision of the Private Securities Litigation Reform Act of 1995 (“PSLRA”) is incorporated into the calculation of the Recognized Loss for UHS common stock. The limitations on the calculation of the Recognized Loss imposed by the PSLRA are applied such that losses on UHS common stock purchased during the Settlement Class Period and held as of the close of the 90-day period subsequent to the Settlement Class Period (the “90-Day Lookback Period”) cannot exceed the difference between the purchase price paid for such stock and its average price during the 90-Day Lookback Period. The Recognized Loss on UHS common stock purchased during the Settlement Class Period and sold during the 90-Day Lookback Period cannot exceed the

difference between the purchase price paid for such stock and its rolling average price during the portion of the 90-Day Lookback Period elapsed as of the date of sale.

52. In the calculations below, all purchase and sale prices shall exclude any fees, taxes and commissions. If a Recognized Loss amount is calculated to be a negative number, that Recognized Loss shall be set to zero. Any transactions in UHS common stock executed outside of regular trading hours for the U.S. financial markets shall be deemed to have occurred during the next regular trading session for the U.S. financial markets.

53. A Recognized Loss will be calculated as set forth below for each purchase or acquisition of UHS common stock during the Settlement Class Period that is listed in the Claim Form and for which adequate documentation is provided.

UHS COMMON STOCK RECOGNIZED LOSS CALCULATIONS

54. For each share of UHS common stock purchased or otherwise acquired during the Settlement Class Period (*i.e.*, March 2, 2015 through July 25, 2017, both dates inclusive), the Recognized Loss per share shall be calculated as follows:

- i. For each share of UHS common stock that was sold prior to July 27, 2016, the Recognized Loss per share is \$0.00.
- ii. For each share of UHS common stock that was sold during the period July 27, 2016 through July 25, 2017, both dates inclusive, the Recognized Loss per share is the lesser of:
 - a. the amount of per-share price inflation on the date of purchase as appears in Table 1 above, *minus* the amount of per-share price inflation on the date of sale as appears in Table 1 above; or
 - b. the purchase price *minus* the sale price.
- iii. For each share of UHS common stock that was sold during the period July 26, 2017 through October 23, 2017, both dates inclusive (*i.e.*, sold during the 90-Day Lookback Period), the Recognized Loss per share is *the lesser of*:
 - a. the amount of per-share price inflation on the date of purchase as appears in Table 1 above; or;
 - b. the purchase price *minus* the sale price; or
 - c. the purchase price *minus* the “90-Day Lookback Value” on the date of sale as provided in Table 2 below.
- iv. For each share of UHS common stock that was still held as of the close of trading on October 23, 2017, the Recognized Loss per share is *the lesser of*:
 - a. the amount of per-share price inflation on the date of purchase as appears in Table 1 above; or
 - b. the purchase price *minus* the average closing price for UHS stock during the 90-Day Lookback Period, which is \$109.14.

ADDITIONAL PROVISIONS

55. The payment you receive will reflect your proportionate share of the Net Settlement Fund. Such payment will depend on the number of eligible shares that participate in the Settlement, and when those shares were purchased and sold. The number of claimants who send in claims varies widely from case to case.

56. A purchase or sale of UHS common stock shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date.

57. Acquisition by Gift, Inheritance, or Operation of Law: If a Settlement Class Member acquired UHS stock during the Settlement Class Period by way of gift, inheritance or operation of law, such a claim will be computed by using the date and price of the original purchase and not the date and price of transfer. To the extent that UHS common stock was originally purchased prior to commencement of the Settlement Class Period, the Recognized Loss for that acquisition shall be deemed to be zero (\$0.00).

58. Notwithstanding any of the above, receipt of UHS common stock during the Settlement Class Period in exchange for securities of any other corporation or entity shall not be deemed a purchase or sale of UHS common stock.

59. The first-in-first-out (“FIFO”) basis will be applied to purchases and sales. Sales will be matched in chronological order, by trade date, first against UHS common stock held as of the close of trading on March 1, 2015 (the last day before the Settlement Class Period begins) and then against the purchases of UHS stock during the Settlement Class Period.

60. The date of covering a “short sale” is deemed to be the date of purchase of shares. The date of a “short sale” is deemed to be the date of sale of shares. In accordance with the Plan of Allocation, however, the Recognized Loss on “short sales” is zero. In the event that a claimant has an opening short position in UHS common stock, the earliest Settlement Class Period purchases shall be matched against such opening short position and not be entitled to a recovery until that short position is fully covered.

61. With respect to UHS common stock purchased through the exercise of a call or put option,³ the purchase date of UHS common stock shall be the exercise date of the option and the purchase price shall be the closing price of UHS common stock on the exercise date. Any Recognized Loss arising from purchases of UHS common stock acquired during the Settlement Class Period through the exercise of an option on UHS common stock shall be computed as provided for other purchases of UHS common stock in the Plan of Allocation.

62. Payment according to the Plan of Allocation will be deemed conclusive against all Authorized Claimants. A Recognized Loss will be calculated as defined herein and cannot be less than zero.

63. The Claims Administrator shall allocate to each Authorized Claimant a *pro rata* share of the Net Settlement Fund based on his, her, or its Recognized Loss as compared to the total Recognized Losses of all Authorized Claimants. No distribution will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

64. Settlement Class Members who do not submit an acceptable Proof of Claim will not share in the Settlement proceeds. The Stipulation and the order and final judgment dismissing this Action will nevertheless bind Settlement Class Members who do not submit a request for exclusion or submit an acceptable Proof of Claim.

65. Payment pursuant to the Plan of Allocation, or such other plan of allocation as may be approved by the Court, shall be conclusive against all Authorized Claimants. No Claimant or Settlement Class Member shall have any claim against Lead Plaintiffs, Plaintiffs’ Counsel, Defendants’ Counsel, any Parties’ damages expert, the Claims Administrator (or any other agent designated by Lead Counsel), or the Defendant Releasees based on any investments, costs, expenses, administration, allocations, calculation, payments, the withholding of taxes owed by the Settlement Fund, or distributions that are made substantially in accordance with the Stipulation and the Settlement, the plan of allocation approved by the Court, or further orders of the Court.

66. Distributions will be made to Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement. If any funds remain in the Net Settlement Fund by reason of uncashed distribution checks or otherwise, then, after the Claims Administrator has made reasonable and diligent efforts to have Settlement Class Members who are entitled to participate in the distribution of the Net Settlement Fund cash their distributions, any balance remaining in the Net Settlement Fund after at least nine (9) months after the initial distribution of such funds will be used in the following fashion: (i) first, to pay any amounts mistakenly omitted from the initial disbursement; (ii) second, to pay any additional settlement administration fees, costs, and expenses, including those of Lead Counsel as may be approved by the Court; and (iii) finally, to make a second distribution to claimants who cashed their checks from the initial distribution and who would receive at least \$10.00, after payment of the estimated costs, expenses, or fees to be incurred in administering the Net Settlement Fund and in making this second distribution, if such second distribution is economically feasible. At such time as it is determined that the re-distribution of funds remaining in the Net Settlement Fund is not cost-effective, the remaining balance shall be contributed to non-sectarian, not-for-profit organization(s), to be recommended by Lead Counsel and approved by the Court, or as otherwise ordered by the Court.

**WHAT PAYMENT ARE THE ATTORNEYS FOR THE SETTLEMENT CLASS SEEKING?
HOW WILL THE LAWYERS BE PAID?**

67. Plaintiffs’ Counsel have not received any payment for their services in pursuing claims against the Defendants on behalf of the Settlement Class, nor have Plaintiffs’ Counsel been reimbursed for their out-of-pocket expenses. Before final approval of the Settlement, Lead Counsel will apply to the Court for an award of attorneys’ fees for all Plaintiffs’ Counsel in an amount not to exceed one-third of the Settlement Fund. At the same time, Lead Counsel also intends to apply for reimbursement of Litigation Expenses in an amount not to exceed \$250,000, which may include an application for reimbursement of the reasonable costs and expenses incurred by Lead Plaintiffs directly related to their representation of the Settlement Class. The Court will determine the amount of any award of attorneys’ fees or reimbursement of Litigation Expenses. Such sums as may be approved by the Court will be paid from the Settlement Fund. Settlement Class Members are not personally liable for any such fees or expenses.

³ Including (1) purchases of UHS common stock as the result of the exercise of a call option, and (2) purchases of UHS common stock by the seller of a put option as a result of the buyer of such put option exercising that put option.

**WHAT IF I DO NOT WANT TO BE A MEMBER OF THE SETTLEMENT CLASS?
HOW DO I EXCLUDE MYSELF?**

68. Each Settlement Class Member will be bound by all determinations and judgments in this lawsuit, whether favorable or unfavorable, unless such person or entity mails or delivers a written request for exclusion from the Settlement Class, addressed to UHS Securities Litigation, EXCLUSIONS, c/o A.B. Data Ltd., P.O. Box 173001, Milwaukee, WI 53217. The exclusion request must be received no later than June 24, 2021. You will not be able to exclude yourself from the Settlement Class after that date. Each request for exclusion must (a) state the name, address and telephone number of the person or entity requesting exclusion, and in the case of entities the name and telephone number of the appropriate contact person; (b) state that such person or entity “requests exclusion from the Settlement Class in *Teamsters Local 456 Pension Fund, et al., v. Universal Health Services, Inc., et al.*, Case No. 2:17-cv-02817-JHS (E.D. Pa.)”; (c) state the number of UHS common stock shares that the person or entity requesting exclusion purchased/acquired and/or sold during the Settlement Class Period, as well as the dates and prices of each such purchase/acquisition and sale, and the number of UHS common stock shares held at the beginning of the Settlement Class Period; and (d) be signed by the person or entity requesting exclusion or an authorized representative. A request for exclusion shall not be effective unless it provides all the information called for in this paragraph and is received within the time stated above, or is otherwise accepted by the Court.

69. If you do not want to be part of the Settlement Class, you must follow these instructions for exclusion even if you have pending, or later file, another lawsuit, arbitration, or other proceeding relating to any Released Plaintiffs’ Claim against any of the Defendant Releasees.

70. If you ask to be excluded from the Settlement Class, you will not be eligible to receive any payment out of the Net Settlement Fund.

71. UHS has the right to terminate the Settlement if valid requests for exclusion are received from persons and entities entitled to be members of the Settlement Class in an amount that exceeds an amount agreed to by Lead Plaintiffs and UHS, as set forth in a confidential Supplemental Agreement.

**WHEN AND WHERE WILL THE COURT DECIDE WHETHER TO APPROVE THE
SETTLEMENT? DO I HAVE TO COME TO THE HEARING?
MAY I SPEAK AT THE HEARING IF I DON’T LIKE THE SETTLEMENT?**

72. Settlement Class Members do not need to attend the Settlement Hearing. The Court will consider any submission made in accordance with the provisions below even if a Settlement Class Member does not attend the hearing. You can participate in the Settlement without attending the Settlement Hearing.

73. The Settlement Hearing will be held on July 15, 2021 at 10:00 a.m., before the Honorable Joel H. Slomsky at the United States District Court for the Eastern District of Pennsylvania, James A. Byrne United States Courthouse, 601 Market Street, Philadelphia, PA, 19106, or by telephonic, video conferencing or other electronic means, as posted on the website of the Claims Administrator. The Court reserves the right to approve the Settlement, the Plan of Allocation, Lead Counsel’s motion for an award of attorneys’ fees and reimbursement of Litigation Expenses and/or any other matter related to the Settlement at or after the Settlement Hearing without further notice to the members of the Settlement Class.

74. Any Settlement Class Member who or which does not request exclusion may object to the Settlement, the proposed Plan of Allocation or Lead Counsel’s motion for an award of attorneys’ fees and reimbursement of Litigation Expenses. Objections must be in writing. You must also serve the papers on the Lead Counsel representative and on the Defendants’ Counsel representative at the addresses set forth below so that the papers are received on or before June 24, 2021.

Settlement Class Members do not need to appear at the Settlement Hearing or take any other action to indicate their approval.
